

*We NEED YOU on  
The Brevard County  
12<sup>th</sup> STEP LIST*

When someone calls the A.A. Hotline for help, we turn to the 12<sup>th</sup> Step List to answer that call. It consists of both Male & Female Listings and covers all the areas of Brevard County. From Titusville, Mims & Port St. John down to Palm Bay & Malabar. It covers the Beaches from Cape Canaveral, Cocoa Beach, Satellite Beach & Indialantic down past the Melbourne Beaches. It includes North & South Merritt Island, Cocoa, Rockledge, Suntree, Viera & both East & West Melbourne. It has volunteers that don't drive and cover "calls only". There are also Spanish Speaking volunteers with a constant need for more. It has volunteers available daytime, evening time, night time & overnight. There are some who are available for a few hours, certain hours or 24/7 all hours.

The Bottom line is, anytime YOU can be available to pass on this message is exactly the amount of time WE need you too. The 12<sup>th</sup> Step List is made up of A.A. members just like you. They make themselves available and do it for the same reason we all do – someone was there when we first came in and we feel the need to give it back. The big dividend is that we get to keep our own sobriety.

"This works when all other activities fail..." If you have at least 6 months of sobriety (or are actively working the Steps of our Program) We NEED you. Talk to your Sponsor, call the Intergroup Office at 724-2247 and ask to be placed On the 12<sup>th</sup> Step List. You'll know exactly why you did after that first call.
