

Sober Softball League:

Gateway Group has formed 2 teams
and would like other groups to form teams
to play a county wide league.

Right now we are playing games on Sundays. Players meet at Gateway @ 1:30pm
and we split into teams. From experiences that we have had so far, we have found this
is an awesome time in sobriety, and we welcome ANYONE to come play, and to
hopefully get other divisions to form teams to play in the league.

If interested please call

James E @ 321-268-4178

or be at Gateway on Sunday afternoon at 1:30pm
